

CORA 2023 Abstracts

The CORA 2023 Abstracts (regular and late-breaking submission) will be available for reading via the current page on the Congress website from 19 March 2023.

Please note that only abstracts of presenting authors who completed their registration to the Congress or emailed the Congress Secretariat to confirm any possible special circumstances by 22 February 2023*, will be included in the final program.

**In case you registered after 22 February 2023, please contact the Congress Secretariat at cora2023@kenes.com. We are pleased to share the CORA 2023 Abstracts selected for Oral, E-Poster Discussion, and Poster Viewing presentations. You can access them via the buttons below.*

Please note that changes to the presenting authors after 10 March 2023 are **not reflected in the files. Additionally, the abstracts of presenting authors who were not registered as of 1 March 2023 are **not** included in the files.
